

AN UNMATCHED MPN THAT'S HASSLE-FREE

ONLY ANTHEM CAN DELIVER THESE ADVANTAGES

WORKERS' COMPENSATION MADE SIMPLE

Managing an MPN can be complicated—but not with Anthem Premier MPN and Anthem Premier Plus MPN.* We take care of the details so you can spend more time on your business and less time being frustrated by paperwork.

We handle:

- MPN filings
- Provider contracts
- Compliance requirements
- Document tracking
- Appointment scheduling
- Physician performance analytics
- Network refinements for improved outcomes
- And more

DATA LEADS TO ACTIONABLE INSIGHT

Since we are the MPN, we have the ability to effectively manage network performance. We analyze every specialty, looking at treatment and physician performance to identify top doctors and optimized care for injured workers. And we keep an eye on cost by continually refining our network and intervening in claims that meet certain criteria.

You're in control

We offer our clients a full range of consultative reporting solutions, so you always know where you stand. Our innovative analytical tools extract information from your organization's data to deliver insights that help you proactively manage your total claims costs.

Reports to maximize savings and increase efficiency:

- Network performance
- Network penetration
- In-network provider referral
- Predictive claims modeling
- Trends in claim costs
- Performance management
- Medical bills detail
- Network medical bills savings
- MPN network management
- Claims alerts
- Current industry topics
- Ad hoc client reports

*Anthem Premier Plus MPN includes access to the Kaiser network

YOU GET MORE WHEN
YOU PARTNER WITH

Anthem

- ✓ One of the nation's **largest networks**
- ✓ **Strong relationships** with providers
- ✓ **Significant discounts**
- ✓ **More data and the analytical know-how** to make it actionable
- ✓ **An outcomes-based MPN** that's like no other on the market

APPOINTMENTS MADE EASY

Our Medical Access Assistant provides full-service scheduling so it's simple to successfully secure compliant appointments, from straightforward initial care requests to complex specialist appointments. We have a successful track record for placing even the most complicated, difficult cases. That's something other companies can't match because they don't have the relationships with providers that we do. It's just one more advantage of partnering with Anthem.

Medical Access Assistant lets users:

Track provider-specific appointments

Search for available appointments with a primary treating physician or specialist within the access standards and time frames

Review past appointment selections (accepted or declined) by injured workers

KEEPING YOU COMPLIANT

Automated online tools enable us to update data in real time, complete and track communications, customize MPN plans and maintain clear, compliant documentation. Plus, 24/7 online access lets you update providers around the clock so you're in total control of your network.

You can begin using your MPN immediately—there's no need to submit an MPN filing, no delay of revenue and no postponement of cost savings. We handle the details.
